Thank you Gregg,

This email will be used for the extension to the October 27th PZC meeting. Please note, that our November and December meetings are held the second Tuesday of the month due to the holiday. Therefore, the November meeting will be held on November 10, 2026.

Should you need an additional extension, the total 65 days permitted for an extension would require the decision to be made by December 5, 2026. Our December meeting is not until December 8th. Therefore, a decision would need to be made at the November meeting. Just wanted you to be aware of the November and December dates so you could plan accordingly.

Thank you,

Good Morning Gregg,

We were reviewing our draft agenda for the PZC meeting on September 22nd this morning. Your application has a decision required date of October 1st. We have not received updated materials, to date, that address staff and department comments. Are you planning to withdraw this application or grant an extension?

Please note, the commission will need to make a decision on September 22nd if neither are received.

Thank you,
